When it comes to music selection, **Peninsula Mobile Music** has got you covered. With tens of thousands of songs, we boast one of the most extensive music libraries in the business. Please keep in mind; this page is only a small fraction of 25,000 songs we bring to weddings, dances and other celebrations. Please take a moment to look over this list. Circle the songs you want to definitely hear and cross out any songs you don't want played at your event. Also, please feel free to create your own list of favorites if you do not see them here. Generally, what works best is to play music that people know and like. Remember our goal is **to have fun** and get people moving!
